Legislation re life jackets	The number of life jackets is required to correspond to the number of people on board.
TSS, esp. new ones	TSS exist in the shipping lanes from south of Gogland for the approaches to Vyborg and St. Petersburg.
Military exercise areas	The ranges in the eastern Gulf of Finland. No 3 (previously No 76) between Seskar Island and NE of Moschnyi Island No 114 NE of Gogland to the port side of the shipping lane close to the island Nos 105 and 107 Opposite Primorsk and south of Vyborg in the Bjoerk (Bjorke) Strait. Prohibited Areas No. 78 Between Gogland and Moshchnyi No. 75 area including O Seskar. All the areas are on the charts. Notifications are made on Navtex, VHF and Notices to Mariners There is a large military exercise area designated Area 117 off the coast of Kaliningrad. Mariners should check with the authorities to ascertain whether or not it is operational.

Major construction sites	The new bridge over the Gulf of Finland in the surroundings of both River and Krestovsky YCs has been built. Clearance - 25 metres.
Windfarms/wave and tidal energy projects	There are neither wind farms nor wave/tidal energy projects in Russia
Bridges	There are 342 bridges in the historical part of St.Petersburg of which 21 are opening bridges. They open at night to let the river traffic go first up the River and then the other way round.
Fishing equipment	When in Russian territorial waters one is recommended to strictly follow the buoyed channels to avoid getting trapped with the illegal fishing nets. Even the legal fishing companies who put their nets in the areas indicated on charts in practice do not care much about marking standards.
Habitats and other protected areas	Pleasure boats are not allowed to visit any of the islands of the Eastern Part of the Gulf of Finland except for Kotlin Island.
Flag traditions/ application of flag rules	Flag etiquette is known but in practice not strictly followed. Guests are expected to fly a courtesy flag under starboard spreader
Weather forecast	Russian yachtsmen normally use foreign weather sites such as www.windfinder.com or windguru.cz
Harbours including approx number of natural harbours	The following harbours in Russia are open to foreign pleasure boats in the Baltic Sea: Lavola YC, Favorit YC (two locations Vyborg), Johannes YC, Primorsk Yacht Pier, Bukhta Dubkovaya YC, Terijoki YC -St.Petersburg any accessible yacht club but River YC and Krestovsky YC are the main ones and accessible to masted craft. -Kaliningrad: Kaliningrad YC, Fishing Port. (Pionerskiy is currently closed – 2019). There are no natural harbours in the Gulf of Finland which foreign pleasure boats are allowed to visit.
Mooring booking facilities	None
Swinging mooring buoys for pleasure yachts	No swinging buoys
Anchoring and free access ashore	Anchoring is not allowed unless caught with really rough weather. Contact Russian coast guard on Ch.16 and ask for a refuge.
Good harbour manners	A quiet environment is expected after 2300
Safety in harbours	Yacht harbours are very secure. 24 hours guarding services provided
Rescue services	VHF Ch.16 working channels 71, 72, call sign "St.Petersburg Rescue Coordination Centre" Tel. +7 812 3274147, +7 812 4958995, +7 812 7188995
